

**TOUTLE LAKE SCHOOL DISTRICT
WEB SITE DISPLAY REFUSAL**

The Toutle Lake School District has established a web site for the convenience of students, parents, staff, and community members. The address for that web site is:
<http://www.toutlesd.k12.wa.us>

In order to provide an interesting and informative web site, classroom images, photographs, or artistic renderings generated through classroom activities may be published on that web site. Additionally, photographs may also be published of your student participating in extra-curricular activities on and off campus.

Therefore, the Toutle Lake School District will publish/display your student's work, likeness, or image used in school-sponsored events.

Students over the age of eighteen (18) may elect NOT to release their own work, likeness, or images on the Toutle Lake School District web pages, and must complete this form if that is their preference.

If you **DO NOT WANT** to allow the Toutle Lake School District to publish your student's work, likeness, or image to the school web site, please indicate by signing below.
